

Kindermusik at Cadek The Bright School Location Class Information

Thank you for registering for Kindermusik at Cadek at the Bright School location! I'm Natalie Eastman & I'll be teaching all classes at The Bright School. The Kindermusik at Cadek/GPS & The Bright School personnel hope you & your child/ren have a terrific, musical experience. We'll be striving to make that happen! The Bright School is our newest location & we want everyone to feel completely comfortable & safe in this new space. To help that along, this information will familiarize you with the class location, building security, weather protocol, & a few key class practices. If you have remaining questions, others probably do, too; so for classroom and Bright location questions, please don't hesitate to contact me at Natalie@ahighernote.com or text/phone me at 740-513-1427. For class registration questions, please call Marcy Wilson, Cadek Coordinator, at 423-634-7694. *—Natalie*

1. Dates: Classes begin the week of January 7 (Tuesday classes begin on 1/8; Thursday classes, on 1/10). There will be 15 classes in total, but there will be a few skipped weeks. Holidays/Class-Schedule Adjustments: No class January 17 (Instructor out of town). No class during The Bright School's Spring Break, March 25-29. Term ends 5/2.
2. Kindermusik Class locations at The Bright School ([view MAP](#)):
L1 and L2 Kindermusik classes at Bright meet on the second floor over the main entrance, in an area called "Miss Bright's Apartment." We share space with the German room, so don't be confused by the German classroom images and signage! 😊

3. L3 classes meet in the professional workroom across from the Math Academy room. This is further back in the building, at the north end, on the main level ([view MAP](#)).
3. To enter the building, you must buzz the office from the main entrance door. (Note: the buzzer is on the right, but the *middle-right* door will unlock for you once you're buzzed in.) Use the main staircase just to the left of the front hallway to reach the Kindermusik space. Note: there are no elevators anywhere in the Bright School. Speaking as a mom of three who's been-there-done-that, you will probably want to consider *not* bringing a stroller; however, if you decide to use one, you may park your stroller along the back wall of the entry hall. Come on up the stairs, turn right, & look for the Kindermusik signage!
4. Park in any un-reserved space in the parking lot.
5. Please place coats, shoes, any infant carseats you might be toting, & bags in the waiting room and "shoe parking area," which is to the right of the door to the Kindermusik space. Feel free to keep valuables with you or consider leaving them in the car.
6. INCLEMENT WEATHER: Stay safe. We will follow the Bright School's weather protocol. Check [Cadek's Facebook Page](#) (Cadekatgps) or [Bright's Facebook page](#), and your email. Note: CADEK at GPS's, The Bright School's, & Hamilton County Schools' weather schedules may be different; be sure to check on [Bright's](#) decisions for each weather incident.
7. Miss a class? Call me to join another one, if one is available. It might be possible to take make-ups at Cadek's GPS location. Or, we might have one organized makeup class.
8. Dress comfortably. Take your shoes off; wear socks if you like. Be ready to move around!
9. Please comfort loud or ongoing crying in the bathroom, hall, or waiting room. We would like to avoid a cascade of empathetic criers! 😊
10. Rest assured: we **sanitize** everything that goes into the mouth. Hand sanitizer and Kleenex are also provided.
11. Photos taken in class may be shared on Facebook, according to the preferences you stated when you registered.
12. FACEBOOK: CadekatGPS. INSTAGRAM: CadekatGPS.
13. **CONTACT:** Cell/Text for this class: (740) 513-1427 (Natalie Eastman). Cadek, main #: (423) 634-7694. kindermusik@gps.edu or Natalie@ahighernote.com
